**Subject: UNESCO Category 2 International Groundwater Resources
Assessment Centre (IGRAC)**

Dear Sir / Madam,

I have the pleasure of informing you that the category 2 centre, under the auspices of UNESCO, The International Groundwater Resources Assessment Centre (IGRAC), is now operational. The centre aims to provide services and be of support to the wider 'IHP family'.

IGRAC's Governing Board has reviewed its planned activities and recommended that a call should be made to all IHP National Committees, other category 2 centres and UNESCO Chairs, for expressions of interest from anyone wishing to become a representative of the Board and contribute to its activities, as indicated in Article 7, para 3 of the attached agreement between UNESCO and the IGRAC centre. Our aim is to establish closer cooperation and coordination between our various programmes and as such better support the implementation of the IHP programme.

The Director of the IGRAC centre, Mr Neno Kukuric (nenokukuric@un-igrac.org) is at your disposal for any further enquiries on this and other issues related to the centre

Yours sincerely,

Blanca Jimenez Cisneros
